# STELE ZINZENDORFIA

## Opicina, Trieste / Opčine, Trst / Opchina, Triest

Modello di carta da ritagliare, piegare ed incollare  
(unire con la colla anche le facce con lo stesso numero).

Stampare possibilmente su carta da 120 grammi per  
ottenere il massimo risultato.

Istruzioni sull'assemblaggio dei modelli di carta nella  
sezione Tips del sito "Guido's Paper Works":

Papirni model izrežite, zložite strani z istimi številkami  
in zalepite. Natisnite na papir ki ima vsaj 120 gramov  
da dosežete najboljši rezultat.

Navodila za sestavljanje papirnatih modelov dobite na  
spletni strani "Guido's Paper Works"

[www.guidots.com/paper](http://www.guidots.com/paper) pod besedo "Tips"

Simply cut, fold and paste the parts (also glue together  
the faces with the same numbers).

This Paper Model is best to be printed on 120 grams/m<sup>2</sup>  
paper.

Paper Works" site: [www.webalice.it/guido.ts](http://www.webalice.it/guido.ts)

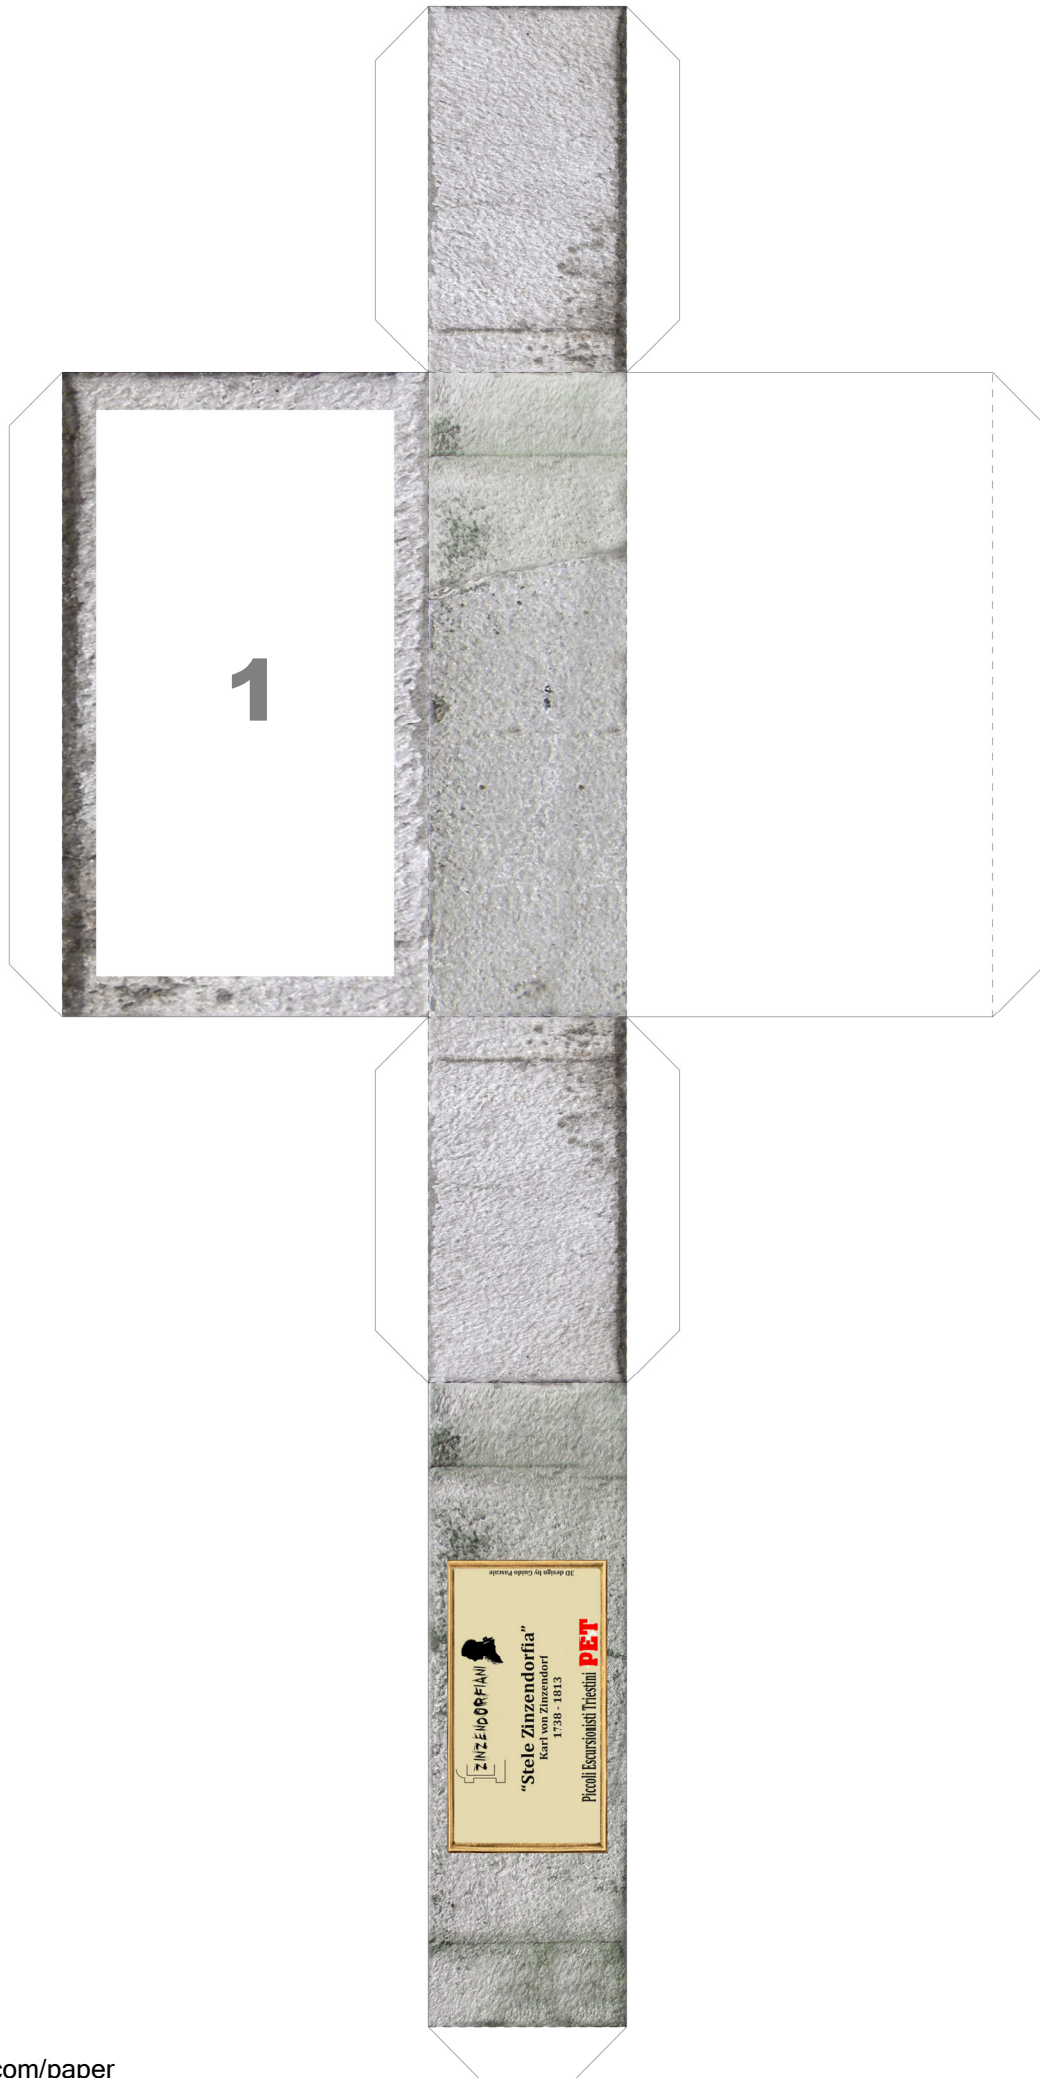

Papiermodell zum Ausschneiden, Falten und Kleben  
(verbinden Sie auch die Flächen mit der gleichen Nummer  
mit dem Leim). Wenn möglich, drucken Sie auf 120g/m<sup>2</sup>  
Papier, um die besten Ergebnisse zu erzielen.
